Foreword

Dear Yellow Jackets of K.H.S.:

I believe I am writing this to some of the greatest teenagers in the world: the members of the student bodies of Kermit Junior and Senior Highs! The fact that Kermit High School has twice been president of the Texas Association of Student Councils in recent years helps to bear this statement out.

I realize that included in our student body are all kinds: the good, the bad, and the indifferent - but the great majority are a credit to your parents, the school, the state, and the nation. I believe in you, individually and as a group.

The graduating seniors have furnished much leadership. This mantle of excellence must be assumed by present underclassmen.

The problems of the day are many, yet never has the opportunity been greater for those of you who are willing to accept a role of responsible citizenship.

Reflected in this Sandstorm are many activities, the memory of which will bring back names and faces, joys and disappointments, successes and failures. Such is life itself as you will live it.

May your efforts in the future bring deserved pleasure, happiness and self-satisfaction to each of you!

Sincerely,

Tommy Thompson
G. E. (Tommy) Thompson

It's what's up front that counts.

Dedication may be found in numerous forms within a single individual. In the case of a school board member, dedication has various outlets—the school, his business, his home, his family—all these are objects of a board member devotion.

The KHS School Board has measured up in every way. These respected men have played a great part in our community—as well as our school.

Filling the position as Assistant Principal is Mr. Roberts. Some of his duties are taking care of disciplinary problems and absentees. Student Council work in KHS and the state has grown to its greatest height under the guidance of Mr. Roberts. His absence from the KHS faculty will be felt in many activities.

Mrs. Huff presently serves as the girls counselor for KHS and has held this position for 11 years. The students go to her for help in selecting their subjects and for help in choosing their future careers. Among her duties as counselor she also serves as sponsor for the National Honor Society.

The Sportsmanship Award

The coaches of K.H.S. nominated boys and girls who they thought showed the greatest amount of sportsmanship during the year. The names of the nominees were submitted to the faculty who chose Guy Cook and Sharon Bolf to receive the Sportsmanship Award.

Guy has been an important asset to both the varsity football and baseball teams this year. Sharon has proven to be a big help to the volleyball team as an outstanding player. Both Guy and Sharon are true Yellow Jackets and are very worthy of this award.

Worth

It is not what the world gives me
In honor, praise or gold;
It is what I do give the world,
So others do unfold.

If by my work through life I can
Another soul unfold,
Then I have done what cannot be
Made good, by praise or gold.

One tiny thought in tiny word
May give a great one birth,
And, if that thought was caused by me,
I lived a life of worth.

Richard F. Wolfe

Mrs. Martin
